

Facilities Operators and Service Providers Association Membership Registration Form

Type of Membership: (Check one)

Corporate: _____

Our corporate membership provides great value by allowing your company to send up to four people to any educational event and allows you the flexibility to send different employees to various presentations. This may be the most cost-effective way to award numerous staff the opportunity to gain experience for less than the cost of sending one person to one traditional seminar type venue. Your company logo will be included on our web page with a hyperlink to your home page. As a corporate member your company may bring a total of two members with guests or a total of four people to any special events (i.e. our annual Christmas party). Additional guests may be permitted for an additional fee based on the event and board approval (contact any board member).
